CENTRALIAN 1960

ALMA MATER

Hail to thee, our Alma Mater
Raise your emblems high.
While we praise thee, Alma Mater,
They'll not pass thee by.

Blue and white, royal colors,
Fit our school quite well.
Hail to thee, our Alma Mater
Let our voices swell.

FOREWORD

The staff of the Centralian, the first school annual of Central High School, presents this publication to you with great pride. Much time and work have made this annual a reality. This book embraces all the things which make high school days the "good ole days" when we reminisce. You will find it to be truly a treasure chest of pleasant memories.

THE STAFF

Dedication

OUR PRINCIPAL

W. J. HOPKINS

From the untiring efforts of the citizens of this county, we are now realizing this Central High School. It is known that much labor has been spent and many sacrifices were made before this plant became a reality. For those who strived so fervently and gave the best of their earnings and knowledge, I venture to say for the people of this county we are forever grateful.

We pause to pay tribute to the late Superintendent of Schools T. D. Foster, who carried the weight of the burdens encountered in this school venture. We hope that this school will be a living example of his worthy attributes.

The class of '60 will represent our first graduates here. This gives you a banner to carry throughout life. In carrying this banner you must always represent the fine training of the faculty here and hold relentlessly high your standards of virture and achievement as you parade on the many battlegrounds of life.

ASSISTANT PRINCIPAL

C. D. JACKSON

To the Student Body:

It is indeed gratifying and inspirational when one can measure the progress of a school through the academic and aesthetic achievements of the students over a period of time as I have had the pleasure of observing.

As conditions and circumstances have improved, so has the student body in a comparable fashion. I watched you, with patience and understanding, ordain your new school, Central High, with gratitude and graciousness and the development of school spirit that has heretofore been obscure. To you, the students of Central High, may I challenge to ever grow in scholarship, spirit, and dignity. And may your academic presence motivate a profound, worthwhile future. As one great writer has said, "Keep your eyes on the rising sun and the shadows will fall behind."

CLASS HISTORY

OOOOOOOOOO To know that the signal of the whistle warns us that we have reached our destination, we have traveled so far . . . but as we stop, our thoughts return.

Yes, five long years ago, when we as a group of passengers entering this station, felt like frightened travelers going on their first train trip. With the help of our engineers, Mrs. C. B. William, Miss C. B. Fields and Mrs. M. F. Turner, we had a successful year. During this year some exciting events came about when Katherine Edmonds won first place in Miss Queen of Hearts, Eva Butts won second place and Thelma Mason won third place in Miss Homecoming Contest. Thelma Mason was also crowned Miss Junior Deb.

As we traveled on into our Freshman year, feeling very proud, we were introduced to two new engineers, Mr. R. D. Gallup and Miss C. V. Belle. During this year Shirley Dillard won second place in Miss Homecoming Contest.

We traveled on into Sophomore station none too soon. The traveling from place to place no longer affected us. Although our destination seemed far and long, we traveled on. Our faithful engineers this term were one of our old engineers, Mrs. M. F. Turner who was back with us, and along with her Miss H. I. Flowers who later became Mrs. H. F. Cooper. During this year one of our able passengers with hopes high, Miss Rosa Williams left us in sadness. This year Shirley Taylor won first place in the Miss Homecoming Contest. Then we looked forward for a Junior Station.

No longer did we envy the upper classmen because we were on their level. This year was important and called for lots of work and participation. During this year we had two new engineers, Mrs. D. S. Plater and Miss L. Gee, who helped us to have a beautiful prom. The theme was "Oriental Garden," which gave us the right tickets to travel on. Again this year we won Miss Festival Contest. Shirley Dillard was our winner. Along with the beautiful prom we presented a successful three-act play entitled "Jumping Jewels." After two outstanding events we looked forward to our Senior year with great anticipation.

Summer passed swiftly as we traveled joyfully into our Senior year. Many left us at many stops for various reasons, leaving us a class of fifty-one. We who were left were determined to travel on to the last depot. This year we have one of our old engineers who has been with us two years and back to start a successful third year, Mrs. M. F. Turner, along with her is Miss M. L. Williams. With the help of our able engineers, Eva Butts and George Mason, managed to win Mr. and Miss Central High Contest. Being the first to graduate from Central High, we felt very happy selecting our rings, invitations, class colors and class motto.

At last we have reached our destination! The station of success! As we prepare to leave the station into the world of challenges we shall never forget thee, dear "Central High," for we shall accept the opportunities that are before us.

CLASS WILL

We, the graduating class of Central High, Sussex, Virginia, in the year of our Lord, nineteen hundred and sixty, do bequeath and bestow to those whom we leave with sorrow, this our Last Will and Testament:

To the Faculty, we leave our love and admiration, our appreciation for their patience and long suffering in these last fou years.

To the Junior class, we leave our seats in English Class.

To the Sophomore class, we leave our ability to get along with others.

To the Freshman class, we leave our bad habits.

To the rest, we leave the remains of old C. H. S.
